WMATC Carrier Insurance Filings

Last Updated: January 21, 2009

WMATC carriers are required to maintain on file with WMATC at all times proof of adequate insurance in the form of one or more valid WMATC Certificates of Insurance and Policy Endorsement. Failure to maintain proof of insurance results in the automatic suspension of a carrier's WMATC operating authority.

The following is a list of insurance filings on file for WMATC licensed carriers.

Insurance Endorsements may be cancelled prior to their expiration date upon 30 days' written notice to WMATC. Once notice of cancellation of a certificate of insurance has been received by WMATC, a replacement WMATC Certificate of Insurance and Policy Endorsement must be filed. For more information about the Commission's insurance requirements, see Commission Regulation No. 58.
